

How Palmira Works

Palmira Residents

Each “door” at Palmira pays annual association dues, typically collected quarterly.

- A portion of those dues go to the Palmira MHOA to support community functions and facilities and to pay for each resident’s Renaissance Center membership.

Association dues are the sole source of funds for projects and activities authorized by the MHOA.

The **Palmira Master Homeowners Association** is led by a **Board of Directors** made up of representatives from the individual neighborhood associations within Palmira. A property management service is employed for facilities and common area management

The Club is managed by a **General Manager/COO** who reports to the **Club Board of Directors**. The Board is comprised of members elected by Full Golf Members of the Club.

Club projects and activities are all funded solely by the club and its members.

Tennis Club Members

Palmira Tennis Club (PTC) Members pay an annual fee for membership. This entitles them to preferred court times and the ability to compete in competitive events and leagues.

The Golf Club, the MHOA and each resident also pay an assessment from one of two (Parklands Lee & Parklands West) CDDs, where “CDD” stands for Community Development District. This assessment, if not paid off, appears on your property tax bill.

A **Community Development District (CDD)** is a local, special purpose, government authorized by Chapter 190 of the Florida Statutes as amended and is an alternative method for managing and financing infrastructure required to support community development. See <http://palmiracdds.net> for more information.

The MHOA, CDDs and Club maintain separate accounting records that are audited annually.
